Subject: EPA San Jacinto Waste Pits Preliminary Plan Approval for SJRF Cap Protection & Annual Sediment Testing
Date: 10/18/2011 11:11 AM

Gary & Crew:

Please advise on our course of action. We will not engage Tolunay Wong until we receive the preliminary plan approval from the EPA, as this will cost us around \$45,000 to start. The overall process should budget at 1.1 to 1.2 mil., and we have allocated these funds to protect the waste pit cap and maintenance test sediments on an annual basis. Time is of the essence.

Respectfully,
Brian Darnell
